2014 ULI ASIA PACIFIC SUMMIT - 20-22 MAY 2014
Grand Hyatt Hotel, Hong Kong SAR, China

Asia Pacific's pre-eminent Real Estate Event of the Year!

Opening Keynote Address
The session explores Hong Kong's role as a global financial centre and Tier 2 global city, and will focus on the role of the real estate industry in the region.

Mr. C.Y. Leung was the Founding Chairman of ULI Asia Pacific, Chairman of the Royal Institution of Chartered Surveyors Hong Kong, President of the Institute of Surveyors in Hong Kong and was the Asia Pacific Chairman of IREI.

Programme Highlights:

Building Healthy Places Panel
Exploring the connections between health and the built environment, and opportunities to use real estate investments to help improve the health of people and create more vibrant, thriving communities. Building cities of health and wealth: how can Asian institutions of health and wellness position the region as a key investor of business models that deliver healthy outcomes?

Moderator: **Panelists:**

Capital Markets Panel
Global capital markets and the new drivers: Where will growth, risk, and value come from? How will real estate be financed? What will private equity demand?

Moderator: **Panelists:**

Repopulating Cities
Sharing lessons learned and mistakes made from transformational urban regeneration projects that have embraced smart technology, incubated industries, delivered employment growth and reinvigorated communities.

Moderator: **Panelists:**
