

Mr. Phil JONES

Chairman

PJA

Profile

Phil is a Chartered Engineer with over 40 years' experience. He founded Phil Jones Associates in 2003; the PJA Group now provides employs around 130 staff based in two offices in Australia and six in the UK. His experience includes preparing transport strategies for major developments, leading street improvement and urban design projects in villages, towns and cities.

Phil has contributed to much recent UK Government thinking on walking and cycling and is now a Non-Executive Director of Active Travel England, an Agency of the Department for Transport (DfT). In 2017 Phil led the production of DfT guidance on the preparation of Local Cycling and Walking Infrastructure Plans and co-authored Local Transport Note 1/20, 'Cycle Infrastructure Design', published by DfT in July 2020. He also contributed to the design Manual for Streets and its revision, and 2022 revision of the UK Highway Code. In 2019-20 he chaired Task Forces for the Welsh Government on establishing a default 20mph speed limit for residential roads and the civil enforcement of pavement parking restrictions.

In Hong Kong he has advised on the road safety audit in Hiram's Highway and Kam Tin Road improvements, embedding road safety but also placemaking elements to schemes.
