About CallisonRTKL

CallisonRTKL (CRTKL) combines the legacy of two great design practices into an even stronger, more distinct voice that is characterized by the strength of their ideas, the spirit of their culture and the passion of their people to make the world a better place. People are at the center of what we do. Focusing on their relationships, with clients and teams, helps them make the big seem small, more personal, and keeps them moving in the right direction. Their process centers on creativity, cross-pollinating ideas and talents across offices to deliver quality at all levels and in all places.

About LWK + PARTNERS

LWK + PARTNERS is a leading architecture and design practice rooted in Hong Kong. Their 1,000+ creative minds collaborate across a network of 12 offices around the globe delivering world-class solutions to the built environment. Their wide range of services include architecture, planning & urban design, interiors, landscape, heritage conservation, building information modelling (BIM), brand experience and lighting design.

About Plus8

Plus 8 Consulting combines international experience, design integrity, and local understanding to create successful destinations underpinned by commercial awareness. Their dedicated team of designers and professionals draw on their collective experience across Asia, the Middle East, and Europe providing innovative, yet cost-effective design solutions with creative flair and commercial sustainability.

Their work is diverse both in terms of scope and locale, from large scale urban and tourism planning, mixed-use developments, stand-alone resort leisure building to interior design.
